Renewed Petition Under 37 C.F.R. Section 1.137(b)

The above-identified application became abandoned for failure to timely respond to a Non-Final Office Action mailed on July 1, 2004. Applicant hereby petitions for revival of this application. A prior petition was submitted on March 1, 2005 and dismissed for failing to include a required reply to the Non-Final Office Action.

The present application was invented by the Applicant, Reza Movahed. The Applicant assigned his rights to the University of California Irvine. Subsequently, this application was reassigned to the Applicant by virtue of the assignment agreement attached to the prior petition.

In the course of changing ownership of the application, Applicant failed to notice that a response to the July 1, 2004 office action was not duly made and that the application had become abandoned. Consequently, the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 C.F.R. 1.137(b) was unintentional.

Pursuant to 37 C.F.R. Section 1.137(b), Applicant is hereby submitting in support of this petition:

1. A reply to the Non-Final Office Action mailed on July 1, 2004.

2. A request to change the address of correspondence. -

Applicant had previously submitted a petition fee of \$750, as set forth in 37 C.F.R. 1.17(m), provided on a credit card authorization form, and an assignment demonstrating that the Applicant, Reza Movahed, has the right to revive this application.

Because the present application was filed on January 23, 2002, a terminal disclaimer has not been included as a submission with the petition. The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 C.F.R. 1.137(b) was unintentional.

Respectfully submitted,

M. A. Movahed 5/27/2005

Dr. Mohammed (Reza) Movahed
